

The Stratford Stringer – Squash Restringing Service

About

The Stratford Stringer provides a home-based stringing service for the South Warwickshire area and is centered in Stratford-upon-Avon as both a player, and committee member, of Stratford Squash Club.

My name is Andy Hill and I am a member of the UK Racket Stringing Association (UKRSA). Having played the game at county standard for various age groups for as long as I care to remember, I fully understand the need to provide a prompt and first-class racket restringing service. I recognise that every customer will have individual needs and I would be delighted to discuss your stringing requirements and to explain my restringing service in greater detail.

Full stringing service price guide

Premium performance strings	£25.00
High quality branded strings	£20.00
Standard strings	£15.00 to £18.00

Grommets also fitted if required and requested to be replaced.

Restringing only, you provide the strings – ask for details!

Most string makes are available, so for a detailed price list and restringing guidelines, or to gain further information about your racket's strings, please contact me using the details below.
